### Announcement of defective product

September 9<sup>th</sup>, 2021

Dear Customers,

Thank you for using PADICO products.

We regret to inform you that we have found unstable product quality with our Moon Drop UV-LED Resin. PADICO decided to stop shipping the product until the quality of the resin meets our normal high standards.

Problems have been reported with high viscous resin. When fresh resin is soft, but it grows hard easily in short period.

Products with lot number described in the following list are defective items.
