Product's information above is updated in November 2020.

1

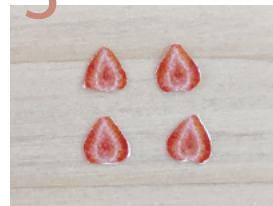

Make the red resin liquid with a drop of Jewel Color Red, and make the white one with a drop of Jewel Color White.

2

Pour red colored resin into the glass and cure it with light.

3

Cut off the Strawberry parts from the cardboard.

4

Stick strawberry parts on inside of glass with resin and cure it.

5

Pour white colored resin and cure it.

6

Pour red colored resin and cure it.

7

Repeat the same process #5&6.

8

Squeeze whip clay on the clear sheet.

9

Put rhinestone and eye bolt on the cream part and dry it.

10

Set the cream part on the glass part using the resin as a glue.

11

Put the necklace chain, now Strawberry Miniature Parfait Necklace is done!

Enjoy arranging it with various colors and parts.
